

**BWS** EDUCATION  
CONSULTING  
*a boutique educational experience*

Dear Clients,

BWS Education Consulting is in the process of transitioning to offering in-person tutoring and college consulting. In-person tutoring is anticipated to be available beginning July 18. Until then, our best tutoring is delivered live and online.

During normal times, both tutoring delivery methods are largely the same and depend on individual location and preference. Right now, our live online tutoring, which we have offered for years to out-of-state and out-of-country students, is a superior experience.

Clients agree not to attend an in-person appointment if they are suspected of having COVID-19 or under quarantine. Clients acknowledge that an inherent risk of COVID-19 exposure exists in any public place where people are present. These plans are subject to change based on government orders and the current public health situation.

Please email us at [tutor@bwseducationconsulting.com](mailto:tutor@bwseducationconsulting.com) with questions.

Sincerely,
